Purlieu is the brainchild of chefs Jason Armstrong (former owner of Bistro 2210 - current partner of Langside Grocery, Winnipeg), and chef Eric Mah. With over 50 combined years of experience, the two chefs partnered up to bring an inspired restaurant to the suburbs of Calgary. With unique twists on classic dishes and drinks, every aspect has been thoroughly planned out to provide a unique experience for you.

Purlieu offers a fully licensed a-la-cart dining experience, select tasting menus, wedding receptions, casual and event inspired buy-outs and caterings.

At Purlieu, we bring our best to you.

## EVENTS

At Purlieu, we strive to make every visit an experience. We can create custom menus for every occasion, as well as host a variety of events. Please inquire at [info@purlieucalgary.ca](mailto:info@purlieucalgary.ca) and speak with us about your next event.

# MENU

At Purlieu, we don't have a set menu to tell you what you have to have for your function, rather, we want to work with you, and find out what YOU want!

We are more than happy to sit with you and discuss your event needs and determine a menu customized just for you!

Whether you want canapées, entrees, or just cocktails; with a little expertise, we will do our best to make your vision come to life.
